

Dear _____,

Kids use media for 6 ½ hours per day.
Don't you wish you had that kind of time?

A donation has been made in your honor to the
Center on Media and Child Health (CMCH)
at Children's Hospital Boston.

CMCH is a non-profit, non-partisan research group committed to learning and teaching about the healthiest ways that children can use media. To learn more about CMCH, visit www.cmch.tv

Sincerely,
